Already 65 prizes, totaling over \$500, have been given away in the two Albany Giveaway drawings on Oct. 9 and 16. Persons holding tickets are urged to keep them as they will also be eligible for the bonus and final drawing to be held Saturday, Oct. 30. At that time, an additional \$500 in cash and merchandise will be given away, at 11 a.m., at Shakey's Pizza Parlor.

The 45 participating sponsors and members of the Chamber of Commerce, who have given their physical and financial support to the program to direct attention to the advantages of shopping in Albany, feel this has been a most successful promotion. Elmer Cole, promotion chairman, and an enthusiastic committee deserve a big round of applause.

Maybe someone out in Contra Costa County finally found a way to click the mail problem.

For quite a while now they have been having a problem with mail delivery between Walnut Creek and Concord. . . with it taking two or three days for a letter to travel between the neighboring cities.

However, one day last week a letter was received in Concord that had been mailed only the day before in Walnut Creek. How was it sent? Airmail, of course!

For the first time in 10 years, Albany High's marching band has hosted last Monday's Veterans' Day parade. Exhibiting their usual championship form, the band is scheduled to perform at all home football games this season, and two away games, Nov. 12 at Liberty High School and Nov. 19 at Granada High School.

Congratulations to Albany's Tripodi—recently installed as a member of the Board of Directors of the California State Employees' Association. Lou was elected to an unprecedented 3rd year as Regional Director of Region 5, and will represent approximately 8,000 association members.

Martha Hood, well-known Bay Area speech instructor, who has many officers from Albany clubs and organizations to an audience with confidence, will instruct at a 3-hour workshop today at 7 p.m., at Live Oak Recreation Center, Shattuck (Continued on Page 3)

Council Action On Use Permits

Four use permit public hearings were on the Albany City Council agenda for this week's meeting, held last night because of the Monday holiday.

The first was an application by Grover C. Rosentreter to use 996 Kains Ave. for a professional public accounting office, in a CE-3 District.

The second concerned a request by Arthur P. Bellasano for the construction of two restaurants, the Sizzler at 665 San Pablo Ave., and the Taco Bell at 635 San Pablo Ave. Both would use the same parking area.

The third use permit application was submitted by Jerome Blank, seeking permission to use 948 San Pablo Ave., for a Real Estate office. The property is located in Town Centre, a C-2 District.

The fourth application for a use permit was from Jack C. Setzer, for permission to construct an 8-plex at 1026 Kains Ave.

Held over from Oct. 12 meeting was a request by Peter Margiotta for permission to split his lot at 636 Adams St.

Other agenda items included a communication from Geo. R. Kratz of 921 El Cerrito, submitting an application for a permit to operate an accounting office at 946 San Pablo Ave.; an application for exempt business license from the Alameda County Club of the Adult Blind, submitted by the City Treasurer; and a communication from Administrative Officer James Turner, concerning the retirement of Theodore Hutt from the position of street maintenance man.

The Co-Op Garage, 1535 University Ave., Berkeley, will accept materials every Saturday and Sunday, from 10 a.m. to 5 p.m.

Materials may also be taken to the Arlington Community Church, 42 Arlington Ave., Kensington, on the first Saturday and Sunday of November, and on the first weekend of the month on every other month (i.e. Jan., Mar., etc.).

Northbrae Community Church, 941 The Alameda, will also accept recycling materials in their parking lot on the first weekend of December, and on the first weekend of every other month after that (i.e. Feb., Apr., etc.).

NOTICE

A lady's wrist watch has been found in Albany. Owner may claim the watch by calling Mrs. Down, 526-7713 and identifying same.

THOUSANDS of flowers will adorn many of the stores in the 1000 Oaks district of Solano Ave., Nov. 3 thru 7, and Steve Porras (right) owner of Berkeley Florist, and named last year as the International Floral Designer of the Year, by Florist Transworld Delivery Assoc., has been retained by the merchants to stage the dazzling display, according to Marty Webb (left), chairman for the event. Among the many varieties of flowers to be used in this festive and decorative show will be cockscomb, bristol fairy and several types of chrysanthemums, including fragrant red rovers and nightingale. The show, which promises to be a delight for all, is the 1000 Oaks district merchants way of saying "thank you" to all their patrons.

Police Dept. Notice

Halloween officially falls on a Sunday this year, and will be considered as "Trick or Treat" night by the Albany Police Dept.

However, Police Chief Ralph Jensen notes that Reserve Officers will be on patrol both Saturday and Sunday nights, because of community activities being planned.

Regular curfew hours will be enforced this weekend, and parents are urged to accompany all children who may be "trick or treating" after dark.

Invitation

Albany residents are cordially invited to join the Vista PTA in honoring Mrs. Charles (Anita) Tronoff, for her many years of service to Albany children, at a desert and coffee hour, Monday evening, Nov. 1, from 7 to 8:30 p.m.

The affair will be held in the kindergarten room at Vista School on Jackson St., and will honor Mrs. Tronoff, who is retiring from the Board of Education after serving it for four years.

She was also the first president of the Albany PTA Council, which was created in 1969, and is a past president of the Vista PTA, as well.

Vista PTA members hope everyone in Albany will join them in thanking Mrs. Tronoff for her many efforts in behalf of Albany's youth.

Further information may be obtained by calling 527-2449, 526-0480 or the Vista School office, 526-6441.

Player Of The Week

Len Patterson
Chad Quan Photo.

Albany High School Quarterback Len Patterson's performance in the 40-0 rout of John Swett was only one of the many outstanding displays of leadership and ability demonstrated by him this year. Lenny ran for three touchdowns and passed for two, and passed for over 200 yards.

In the four games played this year, Lenny has led his explosive team to 13 touchdowns, which is six more than were scored all last season.

Along with being a good leader, Lenny also has good football sense, as he called his own plays throughout the game, without much help from the sidelines.

A true college prospect, Lenny should add a lot more to the already outstanding figure of 801 yards in his first four games.

Halloween Celebration

As has been the tradition for many years, the 1000 Oaks Business and Professional Association, under the guidance of Marty Webb, past president of the organization, will once again sponsor a children's Halloween program for students of Thousand Oaks School.

Activities will include the traditional window painting and to prepare for the mini-artists who will adorn the merchants' windows on Thursday, with their impressions of Halloween, John Zoro, Merchants president, will lead a group of businessmen armed with buckets of whitewash to coat the windows to make a paintable surface for the children.

Mrs. Sue Ortmann, of Ortmann's Ice Cream Parlor, is head of the window painting project, which is being coordinated with the Thousand Oaks PTA.

Witches and goblins will be the order of the day Friday, Oct. 29, when teachers and students from Thousand Oaks School will parade the length of Solano from Ensenada to The Alameda at 1:15 p.m., in their Halloween costumes.

The parade will be led by two of the Berkeley Fire Dept's fire trucks. Bob Elliott's Berkeley High School Band will add to the carnival atmosphere, and the Bookmobile from the Berkeley Library will bring up the rear with its calliope-type music.

P & R Commission Names New Officers

At a recent reorganizational meeting of the Albany Park and Recreation Commission, the following officers were elected for the coming year: Mrs. Ruth Menikoff, chairman, and Mario Lavagnino, vice chairman.

The regular meetings of the Commission are held at the City Hall on the second Thursday of each month at 7:30 p.m. The public is cordially invited to attend the meetings.

Ordinance Change

The Albany City Council has approved an ordinance amendment, at the suggestion of Bud Rooney, of the Albany Park and Recreation Dept., that all dogs in parks and on school grounds must be leashed.

The action was approved at last week's meeting, and final adoption was made last night. The original ordinance required owners to keep their dogs under control in these areas, but not necessarily leashed.

School Board Explains Poll

The Albany Board of Education has called for a poll of parents of all Albany school children to determine whether parents want children to remain at Cornell and Marin Schools until after a bond election is held, or whether they would want the removal of children from these schools before that time.

State law requires that a bond election must be called within one year after receiving the report that the school buildings are unsafe for school use under conditions of a severe earthquake. The earliest date that such an election could be held would be April 11, 1972. The law also requires that all children must be removed from school buildings declared unsafe by June, 1975. The Board has now employed a school architect and is in the process of developing procedures for coming up with a master plan which will determine costs of rehabilitation, or replacement of unsafe buildings, and which will become the basis for the future bond proposal.

The poll will also allow parents to express an opinion concerning preference for alternate plans when children are removed from the buildings. The Board indicated that it will use the results of the poll as a guide, but not necessarily binding for future decisions.

The polling committee, consisting of Board Member Jack Rosano; A.T.A. President Mrs. Mary Wallmann; the Albany PTA presidents, or their representatives; Director of Instruction Wm. G. Woolworth; and Superintendent Kenneth M. Forry, was appointed to draft the questionnaire and establish procedures for the poll. This questionnaire will be mailed to all parents with a returnable post card ballot on which parents are to vote.

The polling committee has now prepared the questionnaire and post card ballot and set Oct. 27 as the mailing date to all parents. The deadline for returning the post card ballots is Monday, Nov. 15. The results of the parent poll will then be reviewed by the Board at a subsequent meeting scheduled as soon as possible. The committee also set a series of public meetings preceding the Nov. 12 deadline to allow parents to become better informed concerning the questionnaire, the alternate plans, and related problems. A prepared statement listing arguments for and against each of the several alternate plans will be available at these meetings. In this way the ballot should represent a well informed parent reaction.

The dates and places for these meetings are: MacGregor School, Tuesday, Nov. 2, 7:30 p.m., kindergarten room; Marin School, Wednesday, Nov. 3, 7:30 p.m., cafeteria; Cornell School, Thursday, Nov. 4, 7:30 p.m., cafeteria; Vista School, Monday, Nov. 8, 7:30 p.m., kindergarten room; Albany High School, Thursday, Nov. 11, 7:30 p.m., cafeteria.

Parents are encouraged to attend the meeting scheduled at their child's school. However, parents and all other interested citizens are welcome to attend any or all of these meetings which will deal with the total impact of decisions and alternate plans on the entire school system.

AAA Awards

Three Albany auto dealers, who loan cars for use in the Albany High School Driver Training program, have received awards from the California State Automobile Association.

The awards, presented by CSAA Berkeley District Manager R. K. Kunkel, went to East Bay Chevrolet, H. L. Moore Chrysler-Plymouth, and Jim Woulfe Ford, Inc.

In making the awards the automobile association emphasized that the dealers who loan dual-control cars to the training program are making a substantial contribution to traffic safety and enable the high school students to develop driving skills and courteous habits, through actual behind-the-wheel training.

Just What You Always Wanted! Halloween At Terrace Park

Have you ever wanted to own your own "little red fire engine?" Not the dinky little toy-type, pedal powered and made of tin, but a real genuine American La France?

If so, the East Bay Regional Park District has just what you want — a 1941 American La France street rig, and District Directors have declared the engine surplus and are inviting the public to bid on it.

According to Assistant District Manager, Jerry Kent, the 25-foot long machine is in bad repair, with a rusted tank and a broken pump. However, it still runs well, he notes.

Those interested should submit their bids in a closed letter to the East Bay Regional Park District, Superintendent of Equipment, District Corporation Yard, Tilden Regional Park, Berkeley 94708. All bids must be in before 10 a.m. Oct. 29.

A district spokesman said the engine will be available for public inspection. Further information may be obtained by calling 531-9300.

Being a funeral director isn't for everyone. The hours are unpredictable... you are continuously exposed to grief... you become the subject of a lot of bad jokes... and, when you have a sick friend, you can't visit him because people will say you're a "vulture" and you can't stay away because his feelings will be hurt.

But we're not complaining. We know there are disadvantages to every job, and ours has an unusual redeeming feature: it provides the satisfaction of knowing we've helped others at a time when help is needed most.

How would you like to put yourself in our shoes?

The Chief Gerald Browne, Al-

very colorful and interesting pic-

According to Gerald, it was a

ous, wondering if all the stories
about the Gypsies kidnapping
children were true.

Enjoyable Entertainment Offered by 'Plaza Suite'

By Dorothy Larimer

If you enjoy live theater, you'll find an enjoyable evening "just around the corner" at Contra Costa Civic Theatre, 915 Pomona, El Cerrito, which is currently offering Neil Simon's comedy hit, "Plaza Suite" at 8:30 every Friday and Saturday night until Thanksgiving.

Each of the three acts is different and has a different leading couple, but the set, a beautiful hotel suite, remains the same.

The first act, "Visitor from Mamaroneck," features a middle-aged couple, Anne Haslett and Earl Link, who are having "other woman" and communication problems on what is or is not their anniversary (they can't agree). Anne Haslett pretty well carries the entire act. Lorrene Baum is the other woman and Chuck Myer, the bellhop.

Laughter begun in the first act becomes more rollicking in the second, "Visitor from Hollywood," in which Louis Flynn plays the successful Hollywood producer, and Deejay Martin, his prissy, star-struck high school flame. They are equally competent in their roles. Flynn is gushy, fast-talking and flamboyant, as he attempts to seduce his former girl friend, now married and a mother. There are some marvelous lines and bits of business in this segment.

By the end of the third act, the opening night audience was laughing hysterically at Charlotte and George Meyer, theatrical pros, who play the parents of a bride-to-be who has locked her-

self in the bathroom of the suite and refuses to come out for the wedding downstairs in the hotel. As comedians, Mr. and Mrs. Meyer milk their already-funny lines until sides are splitting. Typically, Meyer thinks only of his investment in the wedding. Also typically, his wife worries about how to explain to the parents of the bridegroom-in-waiting and their friends, not to mention a ripped pair of hose obtained when she crouches with her eye to the bathroom keyhole.

Lorrene Baum of Albany, playing the second of two roles in the play (she had three parts in the first production, "Play It Again, Sam"), is lovely as the bride. Her bridegroom is played by Bruce Altman. Act three is titled "Visitor from Forest Hills."

If you haven't seen the new theater, you're in for a treat. Louis Flynn directs "Plaza Suite" as he did the first production. The next play, "Don't Drink the Water," opens Friday, Jan. 14, under the direction of Betty McCarthy and starring Anne Haslett and George Meyer.

New Mail Service

Berkeley Postmaster William Wollman has announced that the expansion of Express Mail Service now includes Berkeley.

Operational testing of Express Mail Service was begun in October, 1970, in selected cities throughout the United States. This service has proven so successful that it is now being expanded to include broader service to more cities and even to Great Britain.

Express Mail Service is a service designed to meet the increasing

demand for fast and reliable delivery of important business documents and other material. It is essentially what amounts to a courier service for individual businesses to other businesses, or to branches in selected cities, on a regular basis and on an individually tailored basis.

Although most businesses will require overnight service, every effort will be made to provide same day service.

Details of operation and rates are now available at the Office of the Superintendent of Mails at the Berkeley Post Office, 2000 Alleton Way, Berkeley, Ca. 94704.

Former TV Star Now In CS Film

Alan Young, well-remembered for his TV appearances as the owner of "Mr. Ed," the talking horse, will be the moderator of a television documentary on Christian Science entitled "Christian Science: How Do You Heal A World?"

The film will be seen in the Bay Area Sunday, Oct. 31. TV Station KGO, in San Francisco will carry the half-hour color film on Channel 7 at 1 p.m., as part of ABC's "Directions" series.

The program is expected to have special appeal to youth, as Young, who has been absent from TV for several years, discusses the relevance of religion to current problems with students who attended the recent Christian Science College Organization Meeting, held at the denomination's world headquarters in Boston recently.

Since 1969 Alan Young has worked for the First Church of Christ, Scientist, in Boston. He established and organized the Film and Broadcasting Dept., and has produced a number of outstanding films for the church.

The present radio series "The Truth That Heals," was developed under his guidance. He is currently undertaking special speaking assignments for the CS Board of Directors, as well as serving as a special consultant to the Board of Lectureship.

A few of the highlights for the month of November: birthstone is turquoise and flower—holly.

Nov. 11 was the original Veterans' Day—commemorating Nov. 11, 1918, when the Armistice was signed. Jeanette Renkin was the first woman to be elected to the U.S. House of Representatives in Nov., 1917. President John F. Kennedy was assassinated Nov. 22, 1963; Captain John Ericsson landed in New York in November, 1839; peace was declared between Great Britain and the United States in November, 1782.

The Mail Bag

Editor, the Times:

It was with deep disappointment that I read that the Albany School District had already selected an architect to design the new schools—even before a careful and full review of engineering data of existing conditions had been presented to us, the people who must pay for these remedial facilities. Equally disturbing is the fact that a speedy architectural arrangement was initiated. Architects had been selected without first developing a palatable program responsive to community needs.

The citizens of the City of Albany have been exposed to many spectacular flops, unimaginative architectural propositions and costly adventures into the "Great Unknown." Hence, any selection of an architect should have been made only after a careful building/use analysis program had been developed. The unilateral action by the School District is tantamount to turnpike racing with your eyes shut. No architect should have been selected to package and peddle a program, which lacks community involvement and firm citizen direction.

Sincerely,
LEON KIMOV

Editor, the Times:

Due to the resignation of one of the members of the Albany School Board, the Board has been interviewing various citizens who have been nominated for the position.

So far, none of these names have been made public. The public has a right to know who they

chosen. The Board should expect this right and the citizens should study the list carefully and make known their desire as to who they believe is best qualified for the position.

As a taxpayer and resident of Albany, I am asking the School Board (via this letter) to make known the names of all those nominated. That is what our newspaper is for.

RALPH G. BUCKWALTER
655 Spokane Ave.

Editor, the Times:

I wonder how many others object, like I do, to the work being done on Solano Avenue? I have been a resident of Albany since 1939, and I think this is the most ridiculous thing perpetrated by the public and taxpayers of Albany.

I wonder how many people feel as I do about this, and would like them to send their feelings in letters to the Albany Times.

I just pray to God that no one gets hurt, because of the obstructions in the street.

Sincerely,
JOHN WADSWORTH
